Bill – No problem. As for today, I'm in the middle of a court filing and some other things, but wonder if you're available sometime next Thursday or Friday, 7/19 or 7/20 (I'll be on business travel the beginning of the week). If so, and could supply some times of availability, I'm keeping my fingers crossed that we can get a critical mass on our side for a call.

I am very sorry for the delay in getting together to talk about this. We have been even busier than normal, but I should have called you sooner. Are you around today?
